# Kenedie Sykes

Hamilton, Ontario, Canada

I am a 22 year old dental student and barista who enjoys modeling and dancing as a way to feel confident in my own skin and stay active. I am from Hamilton Ontario but i do travel to the Niagara region and GTA quite often. My favourite thing to do is to try new food and go to theme parks. I'm into ink and piercings and plan to get more ink in the future. Over all I'm a realistic, funny, Taurus. Looking forward to seeing where this path takes me in the modeling world.

# Christina Polito

Lancaster, PA

I am an alternative model. I love being outside or in abandon buildings. I have no problem with artistic nude or implied. I have a background in aerial work and yoga.

Measurements: 34 - 27 - 37

My sexiest feature is my butt...

# Honey Sweets

Sunny California

Yes, I'm small but you know what they say dynamite comes in small packages so you better watch out men, because I'm a firecracker waiting to explode. As a small woman I preferred to be called fun size, I'm easier to play with.

I'm a classic mixture of milk and honey, I love to be in the spotlight, and I crave to have all eyes on me lusting for my body. Some may say I have a dirty mind, but I say I have a sexy imagination.

Yes, I know I'm a handful but that's why you've got two hands. I don't have to try to be sexy it's just how I express myself when I move around, your eyes won't ever want to leave my skin. I'll keep you watching and wanting more and more.
